Uncertain Plans

Advance boldly into the shadows of uncertainty.

Discussion Questions

1. What are your plans for the next season? (This could be Summer...it could be for the remainder of the quarantine...it could be for when quarantine is over.) Please share.
 2. How important do you think it is to look ahead and do your best to make plans? Do you find this to come easily for you? Do you hesitate or find it difficult to make plans? Discuss.
 3. Have you (or anyone you've known) ever been convinced of your next step (your plan) and it didn't work out the way you thought it would? What are some of the normal conclusions someone would come to when that happened? Please discuss.
 4. People who find it difficult to let go of their plans when things change can often become bitter or resentful. How might someone avoid these traps? How have you?
 5. Our ways are nothing compared to His *being* the Way. Going forward, how has this series taught you to be more secure, more confident in the Person of Jesus, and not in your circumstances?

God in Real Life

This week, take confidence to boldly advance into the shadows of uncertainty, knowing that Jesus is the Way...that Jesus is the Plan.

To the Heart

“Thomas said to him, ‘Master, we do not know where you are going; how can we know the way?’ Jesus said to him, ‘I am the way and the truth and the life.’ John 14:5-6
